CAREER OBJECTIVE

Adaptable Computer Science major (3.9 GPA) currently attending University of California-Irvine, with 3.5+ years of work/volunteering experience. Aiming to leverage a proven knowledge of application development, IT strategy, and programming skills to successfully fill the Software Engineer Intern role at your company. Frequently praised as insightful by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

BARISTA
Project Juice/Earth Bar, San Francisco, CA / Nov 2019 - Mar 2020
- Welcomed customers and answered questions regarding menu items and preparation methods.
- Followed operating instructions and troubleshot breakdowns, keeping equipment operational.
- Maintained store operation with a fellow barista on the weekends.

VOLUNTEER
Donaldina Cameron House, San Francisco, CA / Jun 2016 - Aug 2019
- Maintained and updated calendar of meetings and events to track and organize activities.
- Instructed new volunteers regarding program policies and duties.
- Connected with a younger audience and developed efficient methods of communication
